

Pin the Wart on the Witch

You'll Need:

- HERSHEY'S KISSES Chocolate Candy
- Clear tape or poster clay
- Blindfold
- Witch's face poster

Directions:

1. Print out the witch's face poster. It will print onto four pieces of paper. Trim down the white borders.
2. Lay the four sections face down and tape them together with clear tape to create a 17" x 22" poster of a witch's face.
3. Hang the poster on a wall using tape or poster clay and remove any tripping hazards nearby.
4. Prepare the witch's warts by placing loops of clear tape or poster clay onto the bottoms of the HERSHEY'S KISSES Chocolates.
5. Give each player a different color HERSHEY'S KISSES Chocolate. One by one, blindfold the player and have him or her attach the HERSHEY'S KISSES Chocolate to the poster. The person who attaches the HERSHEY'S KISSES Chocolate closest to the tip of the witch's nose wins!
