

# Summer Ice Cream Sundae Bar

## Make Sweet Memories

It's not summer until you're enjoying a big ice cream sundae that's full of yummy toppings! Celebrate the season in a super sweet way by inviting friends, family and loved ones over to make sundaes together with this do-it-yourself ice cream sundae bar.

### What you'll need to set up the serve-yourself ice cream bar:

- Table or surface to put all your ingredients on
- Bowls
- Spoons and scoopers
- Napkins

If you've got little ones who are sure to make a mess, a good trick is to take your ice cream sundae bar outside so that all the drips can be washed away, and you can enjoy the beautiful warm weather.

The ingredients for setting up a sundae bar are simple. All you'll need are your preferred flavours of ice cream and choice of toppings.

### Some of your toppings could include:

- Sprinkles
- Fresh Fruit
- Pretzels
- Whipped Cream
- Syrups
- Ice Cream Cones
