- 1 HERSHEY'S Cocoa empty container
- 1 Printable design template
- Utility knife

## Directions:

1. Wipe the inside of your HERSHEY'S Cocoa container with a damp paper towel.

3. If using one of our printable design templates, use markers or crayons to personalize the design.
4. Cut out the design. Wrap it around the container and secure it with tape.
5. Customize and decorate with other craft supplies and don't forget to add your name!
